For Sale : **€ 12,000**

Description
An agricultural field for sale in Pachna, made up of two fields offered together as one property with a combined area of 10034 m². The land sits in an open countryside setting outside the village. The neighbouring villages of Kissousa and Malia are a short drive away, and the Limassol – Paphos Motorway is within easy reach.

The ground slopes and is almost rectangular, a well-proportioned layout for planting or cultivation. It borders a public path along one side, and its agricultural zoning suits farming use. Taken together, the two fields form a versatile piece of land in the Pachna countryside.
