Description
Set in open countryside within the Malia community, this agricultural field covers 11,037 m² of sloping ground with an irregular outline. The village centre is a short drive away, as are the neighbouring villages of Pachna and Kissousa. The Limassol–Paphos Motorway and a petrol station can be reached by car. The field has no direct road access. It is a generous stretch of the Malia landscape, a substantial piece of Cypriot countryside away from dense urban development.
