For Sale : **€ 24,000**

Description
A short stroll from the heart of Simou, with its village centre, cafés and restaurants close at hand, this residential field sits within the easy rhythm of village life in the Paphos countryside. Mornings could begin with coffee in the village square and end with a walk back home.

The land covers 2,676 m² on a sloping surface with an irregular outline. A public road runs along three of its sides, giving it direct road access and a long frontage. Its residential zoning offers room for a home within reach of everyday village life.

Beyond Simou, Evretou Lake is a short drive away for an afternoon by the water, and the neighbouring villages of Lasa and Drymou are within easy reach for a change of scene.

The sale is for a 1/2 share of the field.

A residential plot with road on three sides, a walk from the cafés and the centre of a Paphos village: uncomplicated, and full of everyday village charm.
