Description
A sizeable field of 13,713 m² in the hills around Apsiou, a piece of the Cypriot countryside set away from dense urban development. The village centre is a short drive away, as are the neighbouring villages of Fasoula and Gerasa, with petrol stations close by and the Limassol to Paphos Motorway within a drive. The ground slopes and the field has an irregular outline. It has no direct road access. This is an open stretch of Apsiou land in a quiet rural landscape.
