Description
An agricultural field of 8863 m² in the countryside around Pachna, within a short drive of the neighbouring villages of Dora and Anogyra. The ground has a gentle slope, and the land is reached by a dirt track, with the main village road close by.

Zoned for agricultural use, the field suits farming or planting. The Limassol–Paphos Motorway is a drive away, and a petrol station is within reach. The surroundings are an open countryside setting, away from dense development. This is a versatile piece of land with a generous area to cultivate.
