For Sale : **€ 10,000**

Description
A sizeable field in Kapileio, set in open countryside away from dense urban development. The land covers 7,693 m², with an irregular shape and a sloping surface. It has no direct road access.

The Kapileio village centre is a short drive away, and the neighbouring villages of Agios Mamas and Limnatis are also close by. Petrol stations and main roads are a drive away, and the wider region links to the Limassol to Paphos and Nicosia to Limassol motorways. This is a generous, sloping piece of the Cypriot countryside in a rural, landscape-led setting.
