Description
A sizeable agricultural field in Gerasa, set in an open countryside setting within the Limassol district. At 6355 m², the land has an irregular shape and a sloping surface, and its agricultural zoning suits farming or planting. The field is landlocked and has no direct road access.

The Gerasa village centre is a short drive away, as are the neighbouring villages of Apsiou and Apesia and local petrol stations. Main roads and the Limassol–Paphos Motorway are within a drive. This is a versatile piece of farmland with generous room to plant and cultivate.
