For Sale : **€ 10,000**

Description
Two adjoining fields in the countryside of Vasa Koilaniou come together here as one enclosed piece of agricultural land, 6,356 m² in total. The ground is uneven and the shape irregular, and a stream runs along one boundary. The land is suited to farming or planting.

The village centre is a short drive away, as are the neighbouring villages of Malia and Arsos. A main road can be reached by car, and the Limassol–Paphos motorway lies further out in the wider region. This is an enclosed, stream-side holding of farmland in an open countryside setting.
