For Sale : **€ 10,000**

Description
Set in an open countryside setting close to the village, this agricultural field in Kalo Chorio covers 18,328 m² of sloping ground with an irregular shape. It is reached by road and lies a short drive from the neighbouring villages of Zoopigi and Louvaras, with the Nicosia–Limassol and Limassol–Paphos motorways in the wider region.

Zoned for agricultural use, the land suits farming or planting, or holding as a versatile piece of the Limassol countryside. It sits in a landscape-led setting away from dense urban development. This sale is for a one-quarter share of the field. It is open, uncomplicated farmland on inclined ground just outside Kalo Chorio.
