Description
Set in open countryside within the Pachna community, this agricultural field covers 4,497 m² of sloping ground. The land is zoned for agricultural use and is reached by an access road, which makes it a practical choice for planting or farming. Its irregular shape follows the natural lie of the land.

The neighbouring villages of Kissousa and Malia are a short drive away. Main roads, a petrol station and the Limassol – Paphos Motorway are all within a drive. This is a versatile piece of agricultural land in the Pachna countryside.
