Description
Set in an open countryside setting outside the village, this agricultural field in Drymou offers 8696 m² of land for farming or planting. The ground is irregular in shape with a sloping surface, and it is reached by a dirt track.

The village centre is a short drive away, as are the neighbouring villages of Giolou and Simou and local petrol stations. Main roads are a drive away, and the Limassol–Paphos Motorway lies in the wider region. This is a sizeable, versatile piece of agricultural land in the Drymou countryside, with generous space to cultivate.
