For Sale : **€ 10,000**

Description
Set in a tranquil and beautiful natural landscape near the village of Agros, this sloping field has a stream running along one of its boundaries. It is a peaceful corner of authentic village countryside, an escape from the pace of city life.

The land covers 1,866 m² and sits in a touristic zone, where the permitted uses include homes, groups of tourist houses and possibly hotel units. The sloping ground follows the natural lie of the land, and the stream gives the setting its own gentle character.

Village life is close by. Restaurants and cafés are within walking distance for a slow coffee or an evening meal, and Paphos International Airport is about 50 km away. The land has no direct road access.

The sale is for a 1/3 share of the field. Quiet surroundings, natural beauty and the warmth of a traditional village make this a corner of the Agros countryside that deserves a closer look.
