Description
Set in open countryside within the Pachna community, this field for sale in Pachna, Cyprus, offers 5352 m² of agricultural land away from dense development. The ground is sloping and irregular in shape. The land is zoned for agricultural use, which makes it suitable for farming or planting. The neighbouring villages of Agios Amvrosios and Kissousa are a short drive away, and a petrol station is close by. The Limassol–Paphos Motorway is within a drive for trips to town. This is a sizeable, versatile piece of Pachna farmland in a rural landscape.
