Description
An agricultural field of 6689 m² in Koilani, set in open countryside surrounded by forest. The land is irregular in shape with an uneven surface, and its agricultural zoning suits farming or planting.

The Koilani village centre is a short drive away, as are neighbouring Mandria, petrol stations and the main roads, with the Limassol–Paphos Motorway in the wider region. The field has no direct road access, although a public road lies a short distance away.

This is a sizeable piece of agricultural land within the forested Limassol countryside.
