Description
A field on the market in Gourri, Cyprus, set in an area valued for its natural surroundings in the Nicosia district countryside. The land covers 15,385 m², a generous area with a sloping surface and an irregular shape that follows the lie of the land.

The village centre of Gourri is a short drive away, as are the neighbouring villages of Lazanias and Fikardou, and main roads are within a drive. The field has no direct road access of its own. This is a sizeable piece of the Cypriot countryside in a setting away from dense urban development.
