Description
Set in the farmland around Odou in the Larnaca district, this agricultural field covers 7,024 m² of open countryside. The ground is sloping and the outline is irregular, giving a piece of land that can be farmed or planted in a way that works with its natural lie. The village centre is a short drive away, as are the neighbouring villages of Melini and Sykopetra, and the Nicosia–Limassol motorway lies in the wider region. Please note that the field has no direct road access. It is a sizeable plot of agricultural land in an open, rural landscape.
