Description
A sizeable agricultural field of 15720 m² in the Statos-Agios Fotios community of Paphos district. It sits in an open countryside setting, well away from dense urban development. The land is irregular in shape with sloping ground, and it has direct road access. Zoned for agricultural use, it lends itself to farming or planting. The villages of Kannaviou, Choulou and Lapithiou are a short drive away, main roads are within a drive, and the Limassol–Paphos Motorway lies in the wider region. This is a versatile piece of land, with generous space to cultivate.
