Description
Picture your own home taking shape in Agios Therapon, a Limassol village where life moves at a gentler pace. This plot of buildable residential land sits within the community itself, with authentic village surroundings and the familiar rhythm of a close-knit neighbourhood on your doorstep.

The land extends to 372 m², with an irregular outline and a sloping surface. A thoughtful design could work with the lie of the land, and it is accessible by road. Its residential zoning points clearly to a home of your own, planned around the way you want to live.

Everyday life stays comfortable here. Restaurants, cafés, schools and a petrol station are a short drive away, as are the neighbouring villages of Agios Amvrosios and Vouni. A supermarket, parks and green spaces lie a little further, and main roads, including the Limassol to Paphos motorway, link you to the coast and the wider district when you need them.

A chance to set down roots in the hills of Limassol and enjoy authentic Cypriot village life, with your home built exactly as you envision it.
