Description
Set in an open countryside landscape in the Limassol district, away from dense urban development, this field listed in Prastio Avdimou covers a generous 21,238 m². The land has an irregular shape and a gently sloping surface.

The village centre is a short drive away, and neighbouring Avdimou and Agios Thomas are also close by. The Limassol–Paphos Motorway is within easy reach of the area, though the field itself has no direct road access. It is a sizeable, uncomplicated piece of the Cypriot countryside.
