Description
A generous Cyprus field in Trachypedoula, offering 13,044 m² of open agricultural land in the Paphos countryside. The ground is sloping and irregular in shape and sits in a natural rural setting away from dense development, suited to farming or planting. A dirt track runs through the land, dividing it into two sections.

The village centre is a short drive away, as are the neighbouring villages of Kelokedara and Agios Georgios, and the Limassol–Paphos motorway is within a drive. This is a sizeable, versatile piece of farmland on the edge of Trachypedoula village.
