Description
A versatile piece of land in Kedares, this agricultural field covers 8027 m² of sloping ground in an open countryside setting. Its irregular shape follows the natural lie of the land, and its agricultural zoning suits farming or planting.

The village centre is a short drive away, as are the neighbouring villages of Mesana and Salamiou. Main roads and the Limassol–Paphos Motorway, with its junctions, lie in the wider region. Kedares is a rural community in the Paphos district.

This is a generous field of agricultural land on rising ground in the Kedares countryside.
