For Sale : **€ 9,000**

Description
This field in Pachna sits in an open countryside setting within the Limassol district. It is zoned agricultural, so it suits farming or planting. The whole field extends to 23,412 m², with sloping ground and an irregular outline.

Pachna village and neighbouring Prastio Avdimou are a short drive away, as is a petrol station. The Limassol–Paphos Motorway is within driving distance. The field could make a practical addition to an existing agricultural holding in the area. This sale is for a one-sixth share of the field. The land lies well away from dense urban development.
