For Sale : **€ 15,000**

**Description**
A field of 10,034 m² in the countryside of Statos-Agios Fotios, set on agricultural land in an open rural setting in the Paphos hills. The ground slopes gently and the plot has an irregular shape, with direct road access from a public road. The villages of Faleia, Pentalia and Nea Pentalia are a short drive away, main roads are within reach, and the Limassol–Paphos Motorway serves the wider region. This sale suits farming or planting under its agricultural zoning, or simply adding a sizeable piece of land to a rural holding. It is a generous field with straightforward access in the Statos-Agios Fotios countryside.
