Description
In an open countryside setting a short drive from the village centre, this agricultural field in Loukrounou covers a generous 8027 m² of farmland. The ground is sloping and irregular in shape, and the land has direct road access along one side, so it is easy to reach. The neighbouring villages of Miliou and Kato Akourdaleia are a short drive away, as are petrol stations, and the Limassol–Paphos Motorway lies within reach in the wider region. This is a versatile piece of agricultural land, with ample space for farming or planting.
