Description
A field of 12,375 m² in the Statos-Agios Fotios countryside of Paphos. It is agricultural land in an open rural landscape, set away from dense development. The ground has an irregular shape and a sloping surface, and the land has direct road access.

The neighbouring villages of Pentalia and Faleia are a short drive away. Main roads lead on to the Limassol–Paphos motorway, linking the land with the rest of the district. This is a generous, versatile piece of farmland with plenty of room to plant and cultivate.
