Description
This field listed in Dora offers 8362 m² of open countryside in the hills of Limassol District, set in a landscape-led setting away from dense urban development. The ground is sloping and irregular in shape, following the natural lie of the land. The centre of Dora is a short drive away, as are the neighbouring villages of Mousere and Kidasi, and the Limassol–Paphos Motorway is within a drive. The wider region is linked by main roads and motorway junctions. It is a generous, uncomplicated piece of the Cypriot countryside.
