For Sale : **€ 9,000**

Description
This field for sale in Agios Therapon, Cyprus, sits in an open countryside setting, well away from dense development. The land covers 121072 m² in total. It has a long, narrow shape, and its uneven ground follows the natural lie of the landscape.

The Agios Therapon village centre, a petrol station and the nearby villages of Lofou and Kato Kivides are all a short drive away. The Limassol–Paphos Motorway is a drive away. The land itself has no road access. This sale is for a three-fourteenths share of the field. It is a broad stretch of Cypriot countryside in a landscape-led rural setting.
