Description
A field of 2342 m² in the countryside of Stroumpi, on agricultural land in an open rural setting. The ground has a smooth, even surface within an irregular outline, and the field has access to a public road.

The village centre is a short drive away, as are the neighbouring villages of Polemi and Giolou and local petrol stations. Main roads, including the Limassol–Paphos Motorway and its junctions, are within a drive. This Stroumpi field is a versatile, uncomplicated piece of farmland with an even surface for farming or planting.
