**Description**
This field in Stroumpi offers 3011 m² of agricultural land in an open countryside setting within the Paphos district. The ground slopes and the plot has an irregular shape. As agricultural land, it lends itself to farming or planting. It has no direct road access of its own.

The village centre and petrol stations are a short drive away, as are the neighbouring villages of Koili and Polemi. Main roads and the Limassol–Paphos Motorway are a drive away. It is a versatile piece of farmland in a rural area away from dense development.
