Description
Two adjoining agricultural fields in Statos-Agios Fotios are offered together as a single holding of 9,366 m², set in an open countryside setting in the Paphos district. The ground is sloping and irregular in shape, and the land has no direct road access.

The village centre is a short drive away, as are the neighbouring villages of Faleia and Pentalia. Main roads and the Limassol–Paphos Motorway lie in the wider region. Zoned for agricultural use, this is a generous area of land for planting or farming.
