Description
In Stroumpi, in the Paphos district, this agricultural field of 5352 m² lies in an open countryside setting away from dense urban development. The ground is sloping and irregular in shape, and its agricultural zoning suits farming or planting.

The village centre is a short drive away, as are the neighbouring villages of Theletra and Giolou, with petrol stations close by. Main roads and the Limassol - Paphos Motorway are within a drive. The field has no direct road access of its own. It is a versatile piece of land with generous space to cultivate.
