Description
A sloping field on rising ground in Malia, set in an open countryside landscape away from dense development. The land extends to 10,870 m², an irregular, well-proportioned piece of the Limassol countryside with an inclined surface. It is reached by a dirt track. Some simple livestock sheds stand in one corner. The neighbouring villages of Pachna, Dora and Gerovasa are a short drive away, and main roads lead on to the Limassol – Paphos Motorway. This is a generous, uncomplicated piece of rural land in the Malia area.
