Description
Agricultural field for sale in Pachna: 3,679 m² of land, a short drive from the village centre. The field has direct road access along a dirt road. It has an irregular shape and uneven ground, and its agricultural zoning suits farming or planting.

The neighbouring villages of Agios Amvrosios and Kissousa are close by, and a petrol station is within easy reach. Main roads and the Limassol–Paphos Motorway are a drive away.

This is a versatile piece of farmland in the Pachna countryside, with direct road access.
