Description
An agricultural field for sale in the Limassol countryside, set within the community of Vasa Kellakiou. The land covers 9700 m² of sloping, irregularly shaped ground in an open rural landscape, well away from dense urban development. The field lies within a protection zone, and it has no direct road access. Vasa Kellakiou sits in the hills of the Limassol district, among neighbouring villages and farmland. This is a generous, uncomplicated piece of Cypriot countryside, offered as a long-term land holding.
