For Sale : **€ 7,500**

Description
Agricultural field for sale in Lazanias, Nicosia district, with 6021 m² of sloping ground in an open countryside setting. The land is irregular in shape, has direct road access and is zoned for agricultural use, which makes it suitable for farming or planting.

The village centre is a short drive away, and so are the neighbouring villages of Gourri and Fikardou. The main roads are a drive further on. A field of this size in Lazanias would make a practical addition to an existing agricultural holding. It is a generous, versatile piece of farmland with direct road access.
