For Sale : **€ 7,100**

Description
A field in Kardamas, part of the Pelendri countryside in the Limassol district, offering 4,348 m² of agricultural land in an open rural setting away from dense development. The ground is irregular in shape with an uneven surface, and the field is landlocked, with no direct road access. A village centre is within walking distance. The villages of Amiantos, Karvounas and Kakopetria are a short drive away, as are petrol stations, and main roads are a drive away. This is a versatile piece of agricultural land, a straightforward piece of Pelendri farmland.
