Description
A field of 5017 m² in Dora, in the Limassol district, set in a landscape-led setting away from dense urban development. The ground is sloping and irregular in shape, typical of the countryside around the village.

The village centre is a short drive away, as are the neighbouring villages of Pachna and Mousere. The Limassol–Paphos Motorway can be reached by car, with main roads and motorway junctions in the wider region. The field has no direct road access. It is a generous piece of the Cypriot countryside.
