**Description**
A generous agricultural field of 10,368 m² in the open countryside of Dora, in the Limassol District. The ground is even throughout, the parcel is enclosed, and a stream runs along one of its boundaries. Its shape is irregular, and the setting is rural, well away from dense development.

The neighbouring villages of Kidasi, Prastio and Mousere are a short drive away, and the Limassol – Paphos Motorway is within driving distance for wider travel across the district. This field in Dora is a level, enclosed and sizeable piece of Cypriot countryside.
