Agios Nektarios is one of Limassol's livelier neighbourhoods...

For Sale : **€ 5,200**

Description
Agios Nektarios is one of Limassol's livelier neighbourhoods, a place of constant movement only a short way from the sea. Here, on the ground floor of a building from around 1990, sits a shop with a mezzanine above it.

The main floor gives a generous footprint at street level. The mezzanine adds a second level to the space, so the shop works on two floors instead of one.

The surroundings play their part too. Restaurants and cafés sit right alongside, as do medical centres and pharmacies, and the steady flow of people through the area keeps the neighbourhood busy throughout the day. Supermarkets and other shops are within walking distance.

The sale is of a 1/42 share of the shop. It offers a bricks-and-mortar base on the ground floor of a busy Limassol neighbourhood, with the sea not far away.
