For Sale : **€ 7,000**

Description
Set in a rural part of the Nicosia district, this agricultural field for sale in Gourri covers 11,372 m² of countryside. The land is irregular in shape with uneven ground, and a stream runs along one of its boundaries. It has no direct road access.

The centre of Gourri is a short drive away, as are the neighbouring villages of Lazanias and Fikardou, in a landscape-led setting away from dense urban development. This sale is for a half share of the land. It is a sizeable piece of the Cypriot countryside, edged by a stream.
