Description
A piece of the Cypriot countryside in the Pegeia area, this field of 2527 m² lies on sloping ground with an irregular outline. It sits in an open, landscape-led setting away from dense urban development. The villages of Kathikas and Akoursos are a short drive away, as are petrol stations, and the Limassol - Paphos Motorway is a drive away. Please note that the land is landlocked and has no direct road access. Zoned as agricultural land, it is a straightforward rural parcel on the edge of Pegeia. It offers 2527 m² of open, sloping Paphos countryside.
