Description
With its feet firmly in Salamiou, this agricultural field offers 11,037 m² of open land in the Paphos countryside, a short drive from the village centre. The neighbouring villages of Agios Ioannis and Mesana are also a short drive away. The ground slopes and is irregular in shape. Its agricultural zoning makes it suited to farming or planting. The field has no direct road access. Set in a landscape away from dense development, it is a versatile piece of land in the Salamiou area. This is a generous stretch of agricultural land, offered as an uncomplicated rural purchase.
