Description
Agricultural land in Kelokedara, made up of two adjoining fields offered together as a single holding of 9,031 m². The ground is sloping and irregular in shape, set in open countryside a short drive from the village centre. The neighbouring villages of Trachypedoula and Agia Marina Kelokedaron are also close by. The land is reached by road, and the Limassol–Paphos Motorway lies within the wider region.

Zoned for agricultural use, the land suits farming or planting in the countryside around Kelokedara. Together, the two fields form a sizeable and versatile piece of agricultural land.
