For Sale : **€ 11,000**

Description
Cyprus agricultural land for sale in Agios Dimitrianos, in the Paphos countryside: three adjoining fields offered together as a single holding of 3,680 m². The land lies between Agios Dimitrianos and neighbouring Kannaviou. Both village centres are a short drive away, and a petrol station and main roads are within reach. The Limassol–Paphos Motorway lies in the wider region.

The ground slopes and the shape is irregular, and the fields are reached by an access road. The land is zoned for agricultural use, suited to farming or planting in an open countryside setting. Together, the three fields make a versatile piece of land for cultivation.
