For Sale : **€ 7,000**

Description
Set in open countryside outside Koilani, this agricultural field covers 2342 m² in the Limassol District. Its agricultural zoning makes it land for farming or planting. The ground is uneven and the shape irregular, and the field has no direct road access.

The village centre and neighbouring Vouni are a short drive away. Petrol stations and main roads are within a drive, and the Limassol - Paphos Motorway lies in the wider region. This is a versatile piece of land to cultivate, plant or hold as part of a wider rural property.
