Description
Two adjoining fields on the higher ground around Koilani are offered together as one agricultural holding of 3950 m². The village centre is a short drive away, with neighbouring Vouni also close by, and the Limassol - Paphos Motorway lies in the wider region. The land is irregular in shape and the ground is uneven. Its agricultural zoning suits farming or planting, and selling the two fields as one gives a single, combined area to work. This is a practical piece of open countryside in the Koilani area of the Limassol district.
