Description
An agricultural field of 7219 m² in Silikou, set in an open countryside setting away from dense urban development. The ground is sloping and irregular in shape, and its agricultural zoning makes it land for farming or planting.

The village centre of Silikou is a short drive away, as are neighbouring Lofou and Agios Georgios and local petrol stations, with the Limassol–Paphos Motorway in the wider region. The field has no direct road access. It is a straightforward piece of farmland in a rural part of the Limassol district.
