For Sale : **€ 7,000**

Description
In Kalo Chorio, in the Limassol district, lies an agricultural field of 7,191 m². It is a short drive from the village centre and from the neighbouring villages of Zoopigi and Kapileio.

Most of the land is zoned for agriculture and suits farming or planting, while part of it falls within a protection zone. The ground is uneven, the plot has an irregular shape, and government land borders it on one side. The land has no direct road access. A sizeable field of farmland, with a stream along one of its boundaries.
