Description
In Askas, a short drive from the village centre, this agricultural field covers 4497 m² of open countryside. The ground is sloping and irregular in shape, and the land has road access.

The neighbouring villages of Fterikoudi and Palaichori Morfou are also a short drive away. A petrol station is within reach, and the Astromeritis–Evrychou road serves the wider region. The land is zoned for agricultural use, which makes it suitable for farming or planting. It is a versatile piece of land in the Nicosia countryside.
