Description
Life by the water and the energy of the city meet in this generous apartment in Agios Nektarios, Limassol. The sea is only a short walk away, and much of what a busy week needs sits right on the doorstep: restaurants and cafés, medical centres and pharmacies, public service offices and a green park next door.

With 223 m² of enclosed space on the seventh floor, the apartment offers real room to spread out, with comfortable room proportions and air conditioning for easier summers. It is a practical base for year-round city living, keeping daily routines simple and close at hand.

Supermarkets, shops and schools are within walking distance, as is the Limassol Municipal Garden. Main roads, sports venues and bus stations are a short drive away, so the rest of the city is easy to reach.

This sale is for a one-forty-second share of the apartment. What stays with you is the setting: a lively, well-connected neighbourhood where everyday convenience surrounds you and the Mediterranean is just a stroll from home.
